Guaranteed to WOW your audiences! I adore contortion dance jamming, performing to any type of live music and can create Yoga dances in any style, to fit any theme, for any occasion! My award-winning skills are as inspirational as they are entertaining and are a great promo/publicity asset in your line ups.

The Amazing Amy (Harlib) is 60+ years young, and has spent a life time studying various forms of movement and physical theater.

She became attracted to Chinese martial arts, acrobatics and Yoga in the early 1980s, and parlayed that into a solo performance career that took her to Taiwan, and back to her native NYC environs to perform in a wide variety of venues.

In 1994, injuries forced her to retire with a disintegrated disc in her spine, torn rotator cuffs in both shoulders, and arthritis that necessitated a total left hip replacement in 1998.

All that time Amy never stopped her Yoga, and so hated not performing that she used her extreme flexibility and zany imagination to re-launch her career

in March 2009. A right hip replacement in Jan. 2015, dislocated in April 2015 has not stopped her!

Already The Amazing Amy has appeared at the Downtown Clown Revue, The Bindlestiff Family Circus Open Variety Show at the Galapagos Arts Space, The Lava Dance Co. Night of Renegades Variety Show, Cirque Off! at Triskelion Arts Space, Dixon Place, The House of Yes, Williamsburg, Brooklyn, and The Gong Show Live! at B. B. King's, NYC and at The Cutting Room, NYC.

The Amazing Amy's Yoga Odyssey was part of the ensemble show Flight 18 running Thurs.-Sun. from Mar. 6 - April 4th at the South Street Seaport.

Amazing Amy is the ONLY Contortionist in the world who has created Yoga Dance acts with special themes and characters and offers a large repertoire (all acts run approx. 6-7 minutes in length), including: YOGA ODYSSEY (pure movement, no gimmicks, celebrating the beauty of flowing flexibility); YOGA TREK: To Boldly Stretch Where Few Fifty Plus Year Olds Have Stretched Before (all Star Trek themed Yoga Act!); YOGA YENTA: My Yiddishe Yoga (What if Fanny Brice and Molly Goldberg could do Yoga? Have I got an act for you! slightly over 7 minutes of spectacular, yoga contortions with comedic flair, performed to live klezmer music and sprinkled with verbal Yiddishisms (or without speaking if you prefer); JEDI YOGA: Stretching From a Galaxy Far, Far Away (all Star Wars themed Yoga act); YOGA TANGO; TRIBAL YOGA (contortion and belly dance combined!); SPOOKY YOGA (for Halloween or Friday the 13th); YULETIDE YOGA; YOGANIME! (contortion to music from Japanese anime features); TECHNO TRANCE YOGA DANCE; COUGARRR CONTORTION! (flirts outrageously with the audience to Pink Panther theme music, hot pink feather boa included!); YOGA BLUES; JAZZY YOGA and MORE!! Some of my acts require LIVE music and I work with musicians who are guaranteed talented and their fee is included in my fee. NEW! THE BENDY BUCCANEER! Yo Ho Yoga! Stretching Across the Seven

Seas! Kooky Corsair Contortion! Pirate-themed comedy contortion with goofy costume, props and piratical patter to CD of music from Pirates of the Caribbean!

Also NEW! Avante Yogarde: The Leading Limber Edge of Contortion and Music (improvisational dance jams with any kind of live music - anything can happen!) AND 'A Gift of Yogratitude', plus 'Crotchety Old Kitty', distinctly different style, character-driven, clown contortion acts!

I am more than eager to perform my act as is or to blend it in and combine my skills with other acts to meet the presenter's needs.

Amy is also a lifelong, avid reader of SF and fantasy literature, art and graphic novels - and loves to indulge in her passion for reading and cinema (especially the silent clowns). She lives in Chelsea and welcomes intelligent feedback and discussion about the genre and the arts. Other enthusiasms: cats, Star Trek and Star Wars, archeology / anthropology / paleontology, folklore and mythology, genre films, science for intelligent laypersons, and memoirs / narratives as literature.
